Our “Free Lunch” seminars are free to all current and past PFCS clients. All others are charged \$20.00 to cover the cost of lunch. For more information, please visit our website at www.petefowler.com/publications_seminars.html or call us at (949) 240-9971.

PFCS is a State Bar of California approved MCLE provider.

Pete Fowler Construction Services, Inc. (PFCS) is a professional construction services provider. *We deliver professional solutions for building problems.* Our services include expert construction consulting, inspection and testing, estimating, management, training, and testimony. Our team of construction professionals uses our unique, proven systems to deliver the most accurate and comprehensive solutions to best serve the interests of our clients, while maintaining our unwavering professional integrity. PFCS often serves as the interpreter of technical data related to buildings and the processes of construction. We create information that technical and non-technical professionals can understand and use to make informed, intelligent decisions.
